### Seeking Application for Post-graduate Training Programme/Dissertation Work: for Six Months

The Institute provides opportunities for outstanding students to carry out project work under the supervision of the Institute's scientists towards partial fulfilment of their postgraduate degrees (of at least **SIX** months' duration; Session II: July-December, 2022).

Students pursuing master's degrees (e.g., MSc, MVSc, MS, MTech - in their final year) may apply.

The request must come from the Head of Department and provide the academic resumes of the recommended student(s) specifying percentage marks obtained at various levels, the subjects covered, and the period of proposed project work. The selection will be based on the candidate's expertise and the need for NIAB research. The committee decision will be final and not subject to any legal issues.

Applicants must mention their broad area of interest in the application form but distribution of Lab will be based on requirement of individual PIs.

#### **Applications are to be filled ONLINE.**

**Online application start date:** April 11, 2022

**Online application end date:** May 10, 2022

Only **selected students** will be informed by 30<sup>th</sup> May.

**Program duration:** July 1, 2022 to December 31, 2022

Late applications will not be considered.

Candidates must fill online application form at [www.niab.org.in](http://www.niab.org.in). Candidates are advised to fill out the online application form in sufficient time before the last date to avoid last-minute technical issues- no need to send a hard copy. Interim enquiries will not be entertained.

Original documents in support of date of birth, educational qualifications, and experience certificate are required to be submitted at the time of joining.

The Institute will not provide any accommodation at the campus. The trainee may make their arrangements for lodging, boarding, and travel during the work period.

No fixed numbers are available each year, but requests are considered based on available vacancies.

The Candidate needs to upload the recommendation of the Principal/ Institute Head/Head of the Department (below format) while submitting the ONLINE application.
